No, only players participating in the game need to register. Parents, siblings, and spectators are all welcome and can purchase food and drink tickets at the event.

How do I know when my child will be on the field between 1-6pm?

You will receive an email two weeks before the event with the registered players' time slot. However, we encourage you to arrive in advance if you can to check in and enjoy the music, food, and other activities.

For younger children parents absolutely need to stay with their child for the entire duration.

Yes, we encourage you to bring flags if you have them. If not, we will have plenty of extras on hand.

Will parking be available?

Parking will be tight and we encourage families to carpool and arrive before your scheduled game time. You can also park on the residential streets across from the park.

Can I register day of event or when I get to the park?

We encourage advance sign-ups however to secure your spot, know the time of your game, and get the jersey size requested. However, we will seek to accommodate all players who are interested.
