BE FEATURED!

Last month's Living Spaces feature took us
outdoors, highlighting how Old Westbury homes
transform their backyards into year-round retreats.
Next up in the series is Cozy Spaces, appearing in
our December issue. Do you have a favorite nook,
room, or gathering spot that feels especially cozy
this time of year? We'd love to see it! Reach out to
jeanne.petti@strollmag.com for more details.
